St. Paul at Kansas City. "If my team does not win the 1903 pennant I would consider it a disgrace. I fail to see where any other club has a chance to finish first." These selections were taken from the statements issued a couple of bus, 8. weeks ago by Manager Leonard, of the Columbus team. Judging from the work of his senators and pennant candidates in the game at Washington Park yesterday afternoon with Indianapolis he must buy his "dope" by carload lots. Columbus was in the game for one brief inning, and after that it was all Indianapolis, the final score | ance, 900. Score:

resulting 13 to 5 in favor of Indianapolis. A combination of circumstances left Indianapolis in possession of just thirteen tallies, but the champions say it won't prove a hoodoo, as the championship season is now in progress, and it is a case of The fact that Indianapolis won placed the spectators in good humor, as it was a long and rather tiresome contest, with only a few brilliant plays to relieve the monotony of many errors. O'Brien figured as the starting point in a most sensational double play. Coulter and Tamsett did well, Jones made a good throw to the plate in the second inning, cutting off a run, and there were one or two brilliant catches in the outgarden. The rest of the work was of a commonplace variety, with the exception of the batting. The game demonstrated that the champions are good stickers. The Hoosers pilfered bases at their

It required over two hours to play the game, cwing to the foolish tactics followed by Pitcher McPartlin, who was on the slab for Columbus. He wasted much time trying to catch runners off first base, and his slow delivery and Slattery's poor throwing accounted for many of the stolen bases. Kellum pitched for Indianapolis, and while Columbus made nearly as many hits as Indianapolis the visitors failed to bunch many of them. The Senators were also handicapped by very poor base running, especially in the seventh inning. Kellum was the only Hoosier who did not figure in the base-hit column. Coulter ed the batting with four hits, one of them

for a triple in the third inning. Jones came second with a trio of safe ones. Kihm made an unusual record. He was four times at bat, scored five runs and made two hits. The first time he was up he was hit by the pitcher. The rest of the team with a hit each. Hart led the stick work for Columbus with four singles. STORY OF GAME. Both teams entered into the scoring business in the first inning, the Senators open-

ing the game with a brace of tallies, but the pace was not too fast for the champions. Indianapolis went the visitors one better. Hart opened with a single to center, Bridwell attempted to sacrifice, dropping the ball down the third base line. Tamsett made e pretty stop and threw to second, but there was no one at the second sack. Hart took third on the error. Bannon singled to Coulter, scoring Hart. Raymer's sacrifice advanced Bidwell and Bannon and Bidwell crossed the rubber on Mellor's fly to Coul-ter. Kellum passed Turner, the small Columbus third baseman, who deprived Indianapolis of a victory on Sunday by making two home runs. Arndt forced Turner at second, retiring the side. Hogriever opened the champions' half with a single to center. Fox sacrificed him to second and McPartlin passed Jones. Kihm was hit and Coulter singled to right, scoring Hogriever. Arndt made a poor throw to the plate, on which Jones and Kihm scored. After O'Brien went out, Tamsett walked and Heydon's out re-

Pretty fielding prevented Columbus from coring in the second. Slattery opened with single and McPartlin's sacrifice advanced Im to second. Hart hit to Jones's Crossing for a single. Slattery attempted to score, but Jones made a beautiful throw to Heycutting off Slattery at the plate, Bridwell reached first on Tamsett's low throw to Kihm and Bannon hit to Kellum, dying

Kellum walked in the last half of the econd and pilfered second. Hogriever one down the third base line, Turner making a sensational stop and a beautiful throw to first. Fox went out on an infield fort and Jones struck out.

COULTER'S LONG TRIPLE Kellum did not give the Senators a chance to turn first in the third, as he mowed them down in one-two-three order. The champions opened the last half with some good willow ware, Kihm's drive through the pitcher's box resulting in a single. Coulter elevated one over the shortstop's head for a three bagger, scoring Kihm. Coulter trotted home on O'Brien's fly to Hart, and Tamsett and Heydon were easily retired.

One of the prettiest plays of the season came in the first half of the fourth. Arndt it to Tamsett and was retired at first. Slattery beat out a fluke hit. McPartlin started one toward safe territory, but O'Brien made a sensational one-hand stop. He tossed the ball to Fox, who threw to first, completing a fast double play.

The champions, by good batting and clevbase running, made the game safe in the ast of the fourth. Kellum went out on a fly to Bannon, Hogriever drew transportaon and Fox duplicated Kellum's effort ones beat out a bunt, Hogriever going om first to third. Jones stole second, and Chm's single scored Hogriever and Jones. Kihm went to second on the throw to the Coulter's single advanced Kihm to hird and when Coulter stole second Kihm scored. O'Brien's fly to Hart retired the

Hart beat out a bunt in the fifth, but the sett started the last half with a single, but was caught off first. Heydon fanned, and Bridwell caught Kellum's short fly. Jones's muff, but was caught off the bag a

Mellor reached second in the sixth on moment later. Turner dropped one in Coul-ter's glove, Arndt singled and Slattery struck out. Three singles, three stolen bases and two errors gave Indianapolis three in the last of the sixth. After Hogriever was retired Fox singled and Jones followed suit. The men advanced on ble steal and Bridwell's fumble of Cihm's chance allowed Fox to score, Jones to take third and Kibm to reach first Kihm stole second, Jones scoring on Slattery's poor throw. Kihm took third on the error and tailied on O'Brien's hit to right ch caught Tamsett's fly.

Columbus gave an exhibition of poor base running, in the seventh scoring only two ns on a base on balls to Hart, Bridwell's dingle. Roach's double and singles by Raymer and Mellor. There was nothing doing n the scoring line for Indianapolis in the ast half. With two outs in the eighth McPartlin hit to the right field fence for bases and scored on Hart's single to center, Hart going to second on the throw Kellum threw a ball to the players before Umpire Haskell had ruled i ot and Hart took third. Hart got away m the base while Killum had the ball ead of throwing to Tamsett, Kellum iked toward Hart like a snake-charmer ert stood as if he were hypnotized and im never looked away from him. Hart ed to dodge, but Kellum touched him the ball and the side was out. With one out in the last of the eighth ones singled, stole second and scored on curner's wild throw to the bleachers on thm's chance, Kihm reached third on

the error. Coulter scored Kihm on a single. The Hoosiers tried to make another tally in order to pass the thirteen mark, but they were unsuccessful, as Coulter was caught at the plate. The visitors were easily retired in the ninth. The score: Indianapolis. A.B. R. H. O. A. E.

NEWLIN PITCHES TO-DAY.

His First Championship Game in This City-Game on Thursday.

Columbus will play here to-day, to-morrow and Thursday. The team was scheduled here for last Sunday and no game was scheduled for Thursday, but since the Sunday game was transferred to Columbus it has been decided to play here on Thursday. Louisville follows Columbus on Friday and Saturday. Newlin will pitch for Indianapolis this afternoon and Wagner or Bailey will be on the slab for Columbus. This will be the first chance Indianapolis people have had to see Newlin pitch a championship game for Indianapolis.

For an Immediate Hearing. W. H. Watkins said last evening that the Indianapolis club officials have taken no steps in the injunction proceedings brought against the club last Saturday to prevent it from playing baseball on Sunday. The case was set for a hearing on May 8, but as the club will be away from home on that date Mr. Watkins will have his attorneys go into court to-day and secure an immediate hearing on the question. He still renext three batters failed to connect. Tam- fuses to discuss what steps the club might

take if the injunction is made perpetual. Baseball Notes.

Columbus again to-day. Game called at Indianapolis was credited with thirteen stolen bases yesterday.

McPartlin is about the slowest pitcher seen here in many years. It looks as if Cy Coulter is out for the Association batting honors this season. The score shows that Tamsett made two errors yesterday, but his two assists were Kellum was suffering with a severe cold

> Dr. Shoop's Rheumatic Cure

Costs Nothing If It Fails. Any honest person who suffers from Rheumatism, is welcome to this offer. I am a specialist in Rehumatism, and have treated more cases than any other physician, I think. For 16 years I made 2,000 experiments with different drugs, testing all known remedies while searching the world for something better. Nine years ago I found a costly chemical in Germany

which, with my previous discoveries, gives me a certain cure. I don't mean that it can turn beny joints into flesh again, but it can cure the disease at any stage, completely and forever. I have done it fully 100,000 times. I know this so well that I will furnish my remedy on trial. Simply write me a postal for my book on Rheumatism, and I will mail you an order on your druggist for six bottles Dr. Shoop's Rheumatic Cure, Take

it for a month at my risk. If it succeeds the cost is only \$5.50. If it fails I will pay the druggist myself-and your mere word shall decide it. I mean that exactly. If you say the results are not what I claim I don't expect a penny from you. I have no samples. Any mere sample that can affect chronic Rheumatism must be drugged to the verge of danger. I use no such drugs, and it is folly to take them. You must get the disease out of the blood.

My remedy does that even in the most difficult, obstinate cases. It has cured the oldest cases that I ever met. And in all my experience-in all my 2,000 tests-I never found another remedy that would cure one hronic case in ten. Write me and I will send you the order.

Try my remedy for a month, as it can't harm you, anyway. If it fails it is free, Address Dr. Shoop, Box 790, Racine, Wia.
Mild cases, not chronic, are often cured
by one or two bottles. At all druggista.
